

Magnum Opus

Summer dance Intensive in Madison, WI.
July 8th-26th 2024

- Daily activities
 - The intensive is from 9:30-3:30 Monday-Friday.
 - Dancers will have the opportunity to take ballet, pointe (or pre-pointe), jazz, musical theatre, pilates, creative worship, and more. The SDI is divided into two levels based on skill, this ensures that each dancer will be getting the best training to improve their ability
 - Fostering friendship and worship throughout the intensive is a priority. We believe that God gave us the ability to dance, we start the day each day giving Him praise and spending a moment connecting with other dancers.
 - The dancers have a lunch break in the middle of the day and they are welcome to go outside and sit under a tree, or just get some fresh air. We have a microwave and refrigerator if needed. There is a teacher or chaperone at all locations (outside or inside.)
- Housing
 - Dancers stay in a home together with a chaperone. Only dancers and the chaperones are present in the home.
 - We have the option of staying with a host family (a family from our School of the Arts), however they won't be with other dancers, just the family.
 - A chaperone is with them at all times.
- Excursions
 - On the weekend there are no classes. Dancers will have the opportunity to go to the local zoo, beaches, mini-golf, shopping and more. A chaperone is with them at all times.
